

Uptown After Dark

With his wine bar, cafés and markets, Eli Zabar has been a household name among New Yorkers for decades. In recent years, the famous grocer partnered with his 25-year-old son Oliver Zabar to appeal to a young generation with Eli's Night Shift. The dimly lit bar serves complimentary Kettle chips on every table, cocktails and comfort foods (fish tacos, fried mac 'n' cheese balls). Night Shift takes pride in its draft beer offerings—10 weekly changing selections from local breweries. | **Eli's Night Shift, 189 E. 79th St., 212.879.7160**
