

Our retail stores remain open and we will do our very best to make sure we continue to deliver pretty much anything you may need from our retail, catering and restaurant menus—in the neighborhood, in the city and in the Hampton's.

As New York's neighborhood grocer, I want to stay open so that you have access to food and ingredients that you have confidence in.

As a reminder grocery and prepared food orders can be placed for daily delivery through our Home Shopping Department: (212) 423-0129 or homeshop@elizabar.com
