

TO-GO

PREPARED FOODS FOR TAKE OUT & DELIVERY

E.A.T. remains the quintessential New York eatery, Eli's original grab-and-go café, beloved for its overstuffed sandwiches on Eli's bread; its iconic "Tower of Bagel"; small batch salads, freshly roasted coffee, and flaky breakfast pastries. Whether you are headed to Central Park or a jet to Paris, a bag of sandwiches from Eli is never a bad idea. If dinner seems like more than you want to deal with, may we suggest an "Entree to Go." After 45 years, Eli knows a thing or two about what people want to eat.
